

## Examples regarding Harris Playing up Rules

### **Club enters SS, ST, Bronze and Harris**

A player with a handicap of 18.4 and below could not play in the Harris if she has played any match in the SS or the ST.

A player with a handicap of 18.5 and above may play in the Bronze or Silver teams twice in total without jeopardising their position in the Harris Bowl team. (ie they could play 2 Silver Shield, OR 2 Silver Trophy OR 2 Bronze Shield OR 1 Silver and Bronze). If they are required to play a third time, they cannot play Harris team again that season.

### **Club enters Bronze and Harris only**

A player with a handicap of 18.5 and above may play in the Bronze twice without jeopardising their position in the Harris Bowl team. If they are required to play a third time, they cannot play in the Harris team again that season

### **Club enters ST and Harris**

A player with a handicap of 18.4 and below could not play in the Harris if she has played even 1 match in the ST.

A player with a handicap of 18.5 and above may play in the Silver Trophy team twice in total without jeopardising their position in the Harris Bowl team. If they are required to play a third time, they cannot play Harris team again that season.
